{mosband}Elusive{/mosband} sind Geschichte! *tief_lufthol*

Heute hat Tommy, seines Zeichens Gitarrero der norwegischen Gothrocker {mosband}Elusive{/mosband}, per Email und auch auf Myspace-Seite die Auflösung der Band offiziell bekanntgegeben. Die beiden noch geplanten Konzerte in Griechenland und England wurden gecancelt.

{mosband}Elusive{/mosband} haben knapp 13 Jahre überlebt und die Gothrocker in dieser Zeit mit drei Fulltime-Alben erfreut. Nun ist es eigentlich viel zu schnell vorbei - die Band hat sich, wenn man das so frei übersetzen kann, auseinandergelebt und deshalb nun den Schlusstrich gezogen. "The Circle (never) ends!"

Das komplette Bandstatement findet ihr im Anhang!

Norwegian Blue

Despite the beautiful plumage, Elusive has ceased to be and have
joined the bleedin' choir invisible.

Dear Friends, Fans and our newly won Enemies.

First of all we'd like to express our sincerest apologies for the
cancellations
of our shows in Dada (greece) and WGW (UK).

We started out many years ago with a great idea
and a record entitled Destination Zero.
and though we never managed to reach the heights we were aiming at
when we started it has been some truly wonderful years,
but as the climate in the music business has deteriorated
every year from then to now it has been a constant struggle to keep going,
and we've gone more and more out of the way to please everyone.
In doing so we forgot about the actual players in the band, and it
started rotting from the inside,
so in a string of unfortunate events, tensions and misunderstandings

this led not only to the cancellation of the three shows, but it's also the end of the road for Elusive.

Furthermore, on behalf of all 3 of us, a very special apology to the inhabitants of Dada.

We first came to your place in 2004 and I don't think it took one hour before we started to refering to it as our second home,it has been ever since.

Treasured memories that will be with us for life.

It's a really shitty thing to end a song on a bad note...

Jamas! and thanks for everything.
